CROWK invites you to be part of discussions on how to move towards a sustainable local community. This forum ends a 3 year grant from ACT Health Promotion, and we need to work out where to go from here. The program has presentations and opportunities to have your say.

An early briefing session on the background research and outcomes of the project will be held on Wednesday June 24<sup>th</sup> from 7.30 – 9.00 pm at the Urambi Primary school.

Let us know as soon as possible if you can attend the forum, and/or the briefing, so we can send you a discussion paper and arrange catering.

**Documents and further information will be added to the CROWK web site:**
