

Woden SEE-Change invites you to attend the first session in our year-long series of interactive workshops on domestic sustainability themes.

## Water Conservation Workshop

Beat the drought now and prepare for a long dry summer.  
Learn how you can reduce your household water consumption.

Find out:

- **Simple ways to reduce water use in the home.**
- **How to choose a water harvesting system for your needs.**
- **How to use grey water safely.**
- **How your household habits can affect water quality in our catchment.**

With technical experts from Territory and Municipal Services, ActewAGL and ACTPla.

When: Thursday 13<sup>th</sup> November, 7.30 – 9.30 pm

Where: Brindabella Room,  
St James Church,

***Bring along your water saving ideas to share!***

Upcoming events in our community learning calendar:

Sunday 23 November 6-7pm – **What happens when I flush?** An overview of our sewage treatment system including twilight tour of Xeriscape garden, Weston CIT

Thursday 4 December 7.30-9.30pm – **I'm dreaming of a green Christmas** – Share a glass of wine and your ideas on how to celebrate a more meaningful and less materialistic Christmas, Beyond Q Bookshop, Curtin Shops

Thursday 11 December 6-7.30pm – **How to have a healthy water wise garden**, with gardening guru Cedric Byrant, Weston CIT (brought to you by ActewAGL)

Bookings are required for the above events. To register please forward your contact details to [seechange.woden@gmail.com](mailto:seechange.woden@gmail.com), or directly replay to this email. For more information contact Laura Stuart on 0403 243 156.

Kind Regards,

Laura Stuart,
